

This is a kayak so you have to wear a PFD

This is canoe. It is OK not to wear a PFD. Why?

So what about this one below? Is it a canoe or a kayak? You can paddle the same boat with a canoe or kayak paddle. PFD or No PFD ?

You don't need a PFD in the canoe below.

But you do need a PFD in the kayak below. Why?

What about the Wave Walker? This company was started in Newton, Mass.

This is a hybrid canoe/kayak fishing boat. Yes PFD or No PFD?

Sit on top kayak. Yes or No?

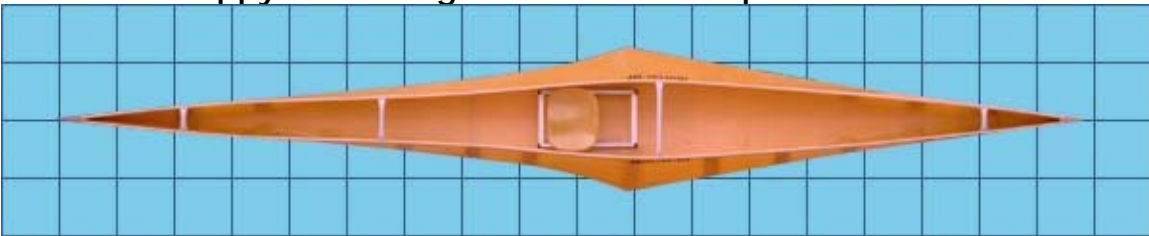

This is a surf ski. Yes or No?

This is a kayak so yes PFD.

But this ultra-tippy solo racing canoe doesn't require a PFD...

And neither does this decked tandem racing canoe. Or does it?

What about this one?

Now the boats below can be paddled or have a pedal drive system. Yes? No? Sometimes? It depends?

So this is a raft that is paddled so you have to wear a PFD

Now this is the same raft rowed with oars – no PFD required!
